44

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, characteristic of 17th or 18th-century handwriting. The paper is aged and shows signs of wear, including a large dark stain near the center and a small tear at the bottom left.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, characteristic of early modern handwriting. The paper is aged and shows signs of wear, including a large tear at the top center and two circular holes near the middle. The text is written in a dark ink, possibly iron gall, on a light brown or tan background.

Handwritten text in a cursive script, likely Persian or Arabic, covering the entire page. The text is arranged in approximately 12 horizontal lines. The script is dense and flowing, with some variations in line length. There are two prominent dark circular marks, possibly holes or ink blots, located in the middle of the page, one on the left and one on the right. The paper appears aged and slightly discolored.

1998

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. The document appears to be a letter or a formal record, given the structured nature of the lines and the use of capital letters at the beginning of some sections. The paper shows signs of wear, including two distinct circular holes, possibly from binding or damage.

CA.

Q. 2. $\frac{1}{2} \times \frac{3}{4} = \frac{1 \times 3}{2 \times 4} = \frac{3}{8}$

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is written on aged, slightly discolored paper with some visible texture and minor staining.

62/100

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern handwriting. There are two distinct circular marks or holes visible on the page, one near the center and one towards the right side, suggesting the document was once bound or had a specific function. The paper is aged and slightly discolored.

6033

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of 17th or 18th-century handwriting. There are two prominent dark circular marks, possibly holes or ink smudges, on the page. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the formal nature of the script and the presence of what might be a signature or official stamp at the bottom left.

Case 1:17-cv-00001-UNA Document 1-1 Filed 07/26/17 Page 1 of 1

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a South Asian script, possibly Devanagari or a related form. The ink is dark, and the paper is aged and slightly discolored. There are two prominent dark spots, possibly holes or ink stains, visible in the middle of the page. The text is dense and fills most of the page area.

Handwritten text in the top right corner, possibly a title or reference.

Main body of handwritten text in a cursive script, spanning most of the page width and height.

Small handwritten mark or text on the left margin.

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are two large, dark circular marks, possibly holes or ink blots, visible on the left side of the text. The text appears to be in a historical or religious context, given the style and the use of certain words like "Gott" (God) and "Christus" (Christ).

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is written in dark ink on aged, slightly discolored paper. There are two prominent dark circular marks, possibly holes or ink blots, located near the center of the page. The script is dense and flowing, with many small loops and flourishes. The text is arranged in approximately 15 horizontal lines, filling most of the page area.

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is arranged in approximately 12 horizontal lines. There are two prominent dark circular marks, possibly holes or ink blots, located in the middle of the page. The script is dense and flowing, with many small loops and flourishes. The paper appears aged and slightly discolored.

31

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is on aged, slightly discolored paper with two visible holes, suggesting it was once part of a bound volume.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single line across the page, with some variations in line height and spacing. The script is dense and flowing, characteristic of historical cursive. There are two large, dark circular marks or holes visible in the center of the page, possibly from binding or damage. The text appears to be in a historical language, possibly Arabic or Persian, given the style of the script and the use of certain characters like 'Allah' (الله) and 'Muhammad' (محمد).

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of 18th or 19th-century handwriting. There are two prominent dark circular marks, possibly holes or ink smudges, on the page. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of words like "I" and "you" in some of the lines.

2

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, characteristic of early modern handwriting. There are two large, dark circular marks or holes visible in the center of the page, which may be remnants of binding or damage to the original document.

Handwritten text in the right margin, possibly a date or a reference.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. There are two prominent dark circular marks, possibly holes or ink stains, on the page. The text appears to be a continuous narrative or record, with some words and phrases being more legible than others due to the cursive style and fading.

[illegible]

[illegible]

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. The script is dense and flowing, with many ligatures and flourishes. The text is written on a piece of aged, slightly discolored paper. There are two large, dark circular marks, possibly holes or ink blots, located in the middle of the page. The text is written in a dark ink, and the overall appearance is that of a historical document or a personal letter.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is written on a single sheet of paper with two visible holes for binding.

Handwritten text in the right margin, possibly a date or a reference note.

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is arranged in approximately 12 horizontal lines. There are two large, dark circular ink marks or holes visible on the page, one near the center-left and one near the center-right. The script is dense and flowing, with some variations in line length and spacing. The paper appears aged and slightly discolored.

CS

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on aged, yellowed paper and is organized into several lines. There are two distinct circular marks or holes visible on the page, one near the center and one towards the right side. The handwriting is dense and flowing, characteristic of 18th or 19th-century cursive.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into approximately 10 horizontal lines. The script is dense and flowing, characteristic of 17th or 18th-century handwriting. There are two prominent dark circular marks, possibly holes or ink smudges, on the paper. The text appears to be a continuous narrative or record, possibly related to a military or administrative context, given the use of terms like "company" and "soldiers" in some of the legible words.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in dark ink on aged, yellowish paper. The script is dense and flowing, with many loops and flourishes. The text is organized into several lines, with some lines starting with capital letters. There are two prominent dark spots, possibly holes or ink stains, on the left side of the page. The overall appearance is that of a well-preserved but aged piece of paper.

64

Handwritten text in the top right corner, possibly a date or page number.

Main body of handwritten text in a cursive script, spanning most of the page. The text is dense and appears to be a continuous narrative or list.

Small handwritten mark or symbol on the left side of the page.

Mathematics

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a European language, possibly German or Dutch, given the use of characters like 'v' and 'w'. The script is dense and fills most of the page. There are two large, dark circular marks, possibly holes or ink blots, visible in the middle section of the text. The paper is aged and slightly discolored.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is on aged, slightly discolored paper with two visible holes, suggesting it was once part of a bound volume.

ਅੰਤਰਿ ਸ੍ਰੀ ਗੁਰੂ ਗ੍ਰੰਥ ਸਾਹਿਬ ਜੀ

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. There are two distinct circular holes or indentations visible on the left side of the page, suggesting it was once part of a bound volume. The text appears to be in a European language, possibly Latin or Italian, given the use of capital letters and the overall style.

2

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, characteristic of early modern handwriting. The document is aged, with visible paper texture and some minor staining.

2

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, with many loops and flourishes. The paper is aged and shows signs of wear, including two prominent dark circular holes.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, with many loops and flourishes. The paper is aged and shows signs of wear, including two prominent dark circular holes.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a language from the Middle East or South Asia. The script is dense and flowing, with many ligatures and flourishes. The document is aged and shows signs of wear, including discoloration and small holes.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, characteristic of early modern handwriting. There are two large, dark circular marks, possibly holes or ink blots, visible on the page. The paper is aged and slightly discolored.

60

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

and the other

Handwritten text in a cursive script, likely a historical document or letter. The text is written on aged, yellowed paper and is mostly illegible due to fading and the cursive style. The script appears to be from a European language, possibly Italian or Spanish, based on the character shapes and the use of capital letters. The text is organized into several lines, with some words appearing to be capitalized or written in a larger, bolder script than the rest of the text. The overall appearance is that of a historical manuscript or a personal letter from the 16th or 17th century.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, with many loops and flourishes. The paper is aged and yellowed, with some visible wear and tear, including two dark circular holes. The text appears to be in a historical language, possibly Persian or Arabic, given the style of the script and the use of some characters that resemble 'ش' (shin) and 'ه' (ha).

257

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in dark ink on aged, slightly discolored paper. The script is dense and fills most of the page. There are two small, dark circular marks or holes visible on the page, one near the center and one towards the right side. The text appears to be a continuous passage, possibly a letter or a record, written in a historical or archaic form.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in dark ink on aged, slightly discolored paper. The script is dense and fills most of the page. There are two small, dark circular marks or holes visible on the page, one near the center and one towards the right side. The text appears to be a continuous passage, possibly a letter or a record, written in a historical or archaic form.

Handwritten text at the top left of the page.

Main body of handwritten text, consisting of approximately 10 lines of dense script.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, with many loops and flourishes. The paper is aged and shows signs of wear, including two prominent dark circular holes. The text is written in a dark ink, possibly iron gall or a similar historical pigment. The overall appearance is that of a well-preserved but clearly antique document.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern European cursive. There are two prominent dark circular marks, possibly holes or ink blots, located near the center of the page. The paper appears aged and slightly discolored.

○

22. 23.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in dark ink on aged, slightly discolored paper. The script is dense and flowing, with many loops and flourishes. The text is organized into several lines, with some lines starting with capital letters. There are two prominent dark spots, possibly holes or ink stains, on the left side of the page. The overall appearance is that of a well-preserved but aged piece of paper.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are some large, stylized initial letters or symbols at the beginning of certain lines, possibly indicating the start of a new section or a specific type of entry. The paper has a yellowish-brown tint, and there are some dark spots and stains, particularly near the center and bottom edges.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. There are two prominent circular holes or indentations in the center of the page, suggesting it was once bound or folded. The script is dense and flowing, characteristic of early modern handwriting.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is aged, with visible wear and discoloration.

02/24/2015

Handwritten text in a cursive script, likely a manuscript. The text is written on a single page with a light brown background. The script is dense and fills most of the page. There are several lines of text, with some lines starting with a large, ornate initial letter. The text appears to be in a historical or religious context, possibly a letter or a treatise. The handwriting is consistent throughout, suggesting a single scribe. There are some small dark spots and faint markings on the page, which could be ink splatters or damage to the original document.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. There are several lines of text, with some lines starting with capital letters. The paper is aged and shows signs of wear, including a large dark stain in the center.

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is arranged in approximately 12 horizontal lines, with some lines being longer than others. The script is dense and flowing, characteristic of historical manuscript writing. There are two dark circular marks, possibly holes or ink blots, located in the middle of the page. The paper appears aged and slightly discolored.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a language from the Middle East or South Asia. The script is dense and flowing, with many loops and flourishes. There are two large, dark circular marks, possibly holes or ink blots, visible on the page. The text is written on a light-colored, aged paper with some visible texture and slight discoloration.

2

[illegible]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, characteristic of early modern handwriting. The document is aged, with visible paper texture and some minor staining.

621

L. D. C.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern European cursive. There are several large, dark ink blotches or holes visible in the center of the page, which appear to be damage or intentional markings. The paper is aged and slightly discolored.

Small handwritten notes or marginalia on the left side of the page, possibly indicating a page number or a reference.

11

www.pearsoned.ca

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. There are two prominent dark circular marks, possibly holes or ink smudges, on the left side of the page. The script is dense and flowing, characteristic of 18th or 19th-century handwriting.

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are two prominent dark spots, possibly holes or ink stains, located near the center of the page. The text is written in a single column, with some lines starting with a small mark that looks like a dot or a short horizontal stroke. The overall appearance is that of a historical document or a personal letter.

عبد

W.D.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, characteristic of early modern handwriting. There are several large, ornate initials or flourishes interspersed throughout the text, particularly on the right side. The paper is aged and shows signs of wear, including discoloration and small dark spots. The text is written in a dark ink, possibly iron gall or a similar historical pigment. The overall appearance is that of a well-preserved but clearly antique document.

Chrysomelids

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, with many loops and flourishes. There are two prominent dark circular marks, possibly holes or ink blots, on the right side of the page. The paper is aged and slightly discolored.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. There are two large, dark circular marks or holes visible on the page, one near the center and one towards the right edge. The text is written in a dark ink on a light-colored, aged paper.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page. There are two prominent dark circular marks, possibly holes or ink blots, located near the center of the page. The text appears to be in a historical or religious context, possibly a letter or a record.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page. There are two distinct circular holes or indentations in the paper, one near the center and another towards the right side. The text appears to be a continuous narrative or record, possibly in a European language from the 16th or 17th century.

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are two dark circular marks, possibly holes or ink smudges, visible on the paper. The text is written in a single column, with some lines starting with capital letters. The overall appearance is that of a historical document.

Handwritten text in a cursive script, likely a letter or a page from a manuscript. The text is written in dark ink on aged, slightly discolored paper. The script is dense and flowing, with many small, connected letters. There are two distinct dark spots or holes visible on the page, one near the center and one towards the right side. The text is arranged in approximately 10 horizontal lines, filling most of the page area.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are two prominent dark circular marks, possibly holes or ink smudges, located near the center of the page. The text appears to be in a historical language, possibly Latin or a related European script, given the style of the cursive and the use of some specific characters like 'v' and 'u'.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a language from the Middle East or South Asia. The script is dense and flowing, with many ligatures and variations in letter forms. The document is aged, with visible wear, discoloration, and some ink bleed-through from the reverse side. The text is organized into several lines, with some lines starting with a small circular mark or symbol. The overall appearance is that of a well-preserved but clearly old piece of paper.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into two columns separated by a vertical line. The script is dense and flowing, characteristic of 18th or 19th-century handwriting. There are two circular holes visible on the left side of the page, suggesting it was once bound in a book. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern handwriting. The paper is aged and shows signs of wear, including a large dark stain near the center and a small circular hole on the right side. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of words like "Actum" and "Testis".

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. There are two prominent dark circular marks, possibly holes or ink stains, on the page. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of parentheses and specific terminology.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, characteristic of early modern handwriting. The document is on aged, slightly discolored paper with two visible holes, suggesting it was once part of a bound volume.

Handwritten text in a cursive script, likely Persian or Urdu, spanning the width of the page. The text is arranged in approximately 12 horizontal lines. The script is dense and flowing, with many ligatures. There are two prominent dark circular marks, possibly holes or ink blots, located roughly in the middle of the page, one on the left and one on the right. The paper appears aged and slightly discolored.

cd

$\frac{d}{dt} \left(\frac{1}{2} m \dot{x}^2 \right) = \frac{d}{dt} \left(\frac{1}{2} m \dot{y}^2 \right) = \frac{d}{dt} \left(\frac{1}{2} m \dot{z}^2 \right)$

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 10 lines. The script is dense and flowing, with many loops and flourishes. There are two prominent dark circular marks, possibly holes or ink blots, on the right side of the page. The paper is aged and slightly discolored.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a language from the Middle East or South Asia, possibly Arabic or Persian. The script is dense and flowing, with many ligatures and diacritics. The paper is aged and shows signs of wear, including discoloration and small holes.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, with many loops and flourishes. The paper is aged and discolored, showing signs of wear and tear, including two prominent dark spots (possibly holes or stains) near the center. The text is written in a dark ink, possibly iron gall or a similar historical writing material.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern European handwriting. There are several large, ornate initial letters, possibly 'C' or 'D', which serve as section markers. The paper is aged and shows signs of wear, including two prominent dark circular holes or stains. The text appears to be a formal letter or a record of a transaction, given the structured nature of the lines and the use of initials.

Handwritten text in a cursive script, likely a letter or a page from a manuscript. The text is written on aged, yellowed paper and is organized into several lines. There are two distinct dark spots, possibly ink smudges or holes, visible on the page. The script is dense and flowing, characteristic of 18th or 19th-century handwriting.

Handwritten text in a cursive script, likely Persian or Urdu, spanning the width of the page. The text is arranged in approximately 12 horizontal lines. There are two prominent dark circular marks, possibly holes or ink blots, located roughly in the middle of the page, one on the left and one on the right. The paper is aged and slightly discolored.

Handwritten text in a cursive script, likely a letter or a page from a manuscript. The text is written in dark ink on aged, slightly discolored paper. The script is dense and flowing, with many small, connected letters. There are two distinct circular marks, possibly holes or indentations, visible on the page. The overall appearance is that of a historical document.

(1) 1990年12月29日，全国人大常委会通过了《中华人民共和国香港特别行政区基本法》（以下简称《基本法》），这是香港回归祖国后，在“一国两制”方针指导下，实现香港平稳过渡、保持长期繁荣稳定的法律基础。

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. There are two prominent dark circular marks, possibly holes or ink stains, on the right side of the page. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the formal nature of the script and the presence of what might be a signature or official stamp at the bottom left.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern handwriting. There are two prominent dark circular marks, possibly holes or ink blots, on the left side of the page. The paper is aged and slightly discolored.

Chrysomelidae

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is arranged in approximately 12 horizontal lines. There are two prominent dark circular marks, possibly holes or ink blots, located in the middle of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a language from the Middle East or South Asia, possibly Persian or Arabic. The script is dense and flowing, with many ligatures and diacritics. There are several large, bold characters that may represent specific words or initials. The paper is aged and shows signs of wear, including discoloration and some small holes or damage.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Small handwritten note or signature in the top right corner.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. There are two prominent dark circular marks, possibly holes or ink stains, on the page. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of words like "Act" and "Witness".

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in dark ink on aged, slightly discolored paper. It appears to be a continuous paragraph or a list of entries, with some lines starting with capital letters. The script is dense and flowing, characteristic of 17th or 18th-century handwriting. There are two small dark spots or holes visible on the page, one near the center and one towards the right side.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. There are two prominent dark circular marks, possibly holes or ink stains, on the left side of the page. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the formal nature of the script and the presence of what might be a signature or official stamp at the bottom left.

66

10

Handwritten text in a cursive script, likely a letter or a page from a manuscript. The text is written in dark ink on aged, slightly discolored paper. The script is dense and fills most of the page. There are two small dark spots, possibly holes or ink stains, visible in the middle of the page.

Small handwritten text or signature in the top right corner.

Handwritten text in a cursive script, likely Persian or Arabic, covering the entire page. The text is written in dark ink on aged, slightly discolored paper. The script is dense and flowing, with many ligatures and variations in line height. There are two prominent dark circular spots, possibly ink blots or holes, located in the middle of the page. The text appears to be a continuous passage, possibly a letter or a section of a manuscript.

Main body of handwritten text in a cursive script, spanning multiple lines across the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are two large, dark circular marks, possibly holes or damage, visible on the left side of the text. The text appears to be in a historical language, possibly Latin or a related European script, given the use of capital letters and the overall style. The handwriting is consistent throughout, suggesting a single scribe. The paper is slightly discolored and has some minor stains.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern European handwriting. The paper is aged and shows signs of wear, including two prominent dark circular holes or indentations. The text is written in a dark ink, possibly iron gall, on a light-colored, textured paper.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are two prominent dark circular marks, possibly holes or ink stains, located near the center of the page. The text is written in a single column, with some lines starting with a small decorative flourish or initial. The overall appearance is that of a historical record or a personal letter.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in dark ink on aged, slightly discolored paper. The script is dense and flowing, with many loops and flourishes. The text is organized into several lines, with some lines starting with a large, decorative initial letter. The overall appearance is that of a well-preserved but aged piece of paper.

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are two distinct circular holes or indentations on the right side of the page, possibly from binding or damage. The text is written in a single column, with some lines starting with capital letters. The overall appearance is that of a historical document.

and

Main body of handwritten text in a cursive script, consisting of approximately 10 lines. The text is densely written and appears to be a continuous passage. There are two distinct dark circular marks or holes visible in the middle of the page, one on the left and one on the right.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern handwriting. The paper is aged and shows signs of wear, including two prominent dark circular holes or stains near the center. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of words like "Actum" and "Fuerunt".

Handwritten text in a cursive script, likely a signature or a small note at the end of the document. It is located on the right margin of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 15 lines. The script is dense and flowing, characteristic of early modern European handwriting. The paper is aged and shows signs of wear, including two prominent dark circular holes or stains near the center. The text appears to be a continuous narrative or a list of items, with some words and phrases being repeated or emphasized. The overall appearance is that of a well-preserved but clearly old piece of paper.

Handwritten text in the top right corner, possibly a title or reference.

Main body of handwritten text in a cursive script, spanning multiple lines across the page.

Small handwritten mark or character on the left margin.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is aged, with visible wear and discoloration.

Handwritten text in a cursive script, likely a manuscript or letter. The text is written in a single column and appears to be in a historical or religious context. The script is dense and flowing, with many ligatures and flourishes. The paper is aged and shows signs of wear, including a large dark stain in the center.

Small handwritten text or signature in the top right corner.

Small handwritten text or signature in the bottom right corner.

മുഖ്യമന്ത്രി

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern European handwriting. The paper is aged and shows signs of wear, including two prominent dark circular holes or indentations. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the formal nature of the script and the presence of the holes which might have been part of a binding system.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, characteristic of early modern handwriting. The document is aged, with visible paper texture and some minor staining.

10

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Handwritten text in a cursive script, likely Burmese, covering the entire page. The text is arranged in approximately 15 horizontal lines. The script is dense and flowing, with some characters appearing to be in a different script or dialect. There are two large, dark circular marks, possibly ink smudges or holes, located near the center of the page. The paper is aged and slightly discolored, with some visible wear and tear along the edges.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern European handwriting. The paper is aged and shows signs of wear, including two prominent dark circular holes or stains near the center. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of some capital letters and punctuation marks like commas and semicolons.

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and flowing, characteristic of historical cursive handwriting. The paper is aged and slightly discolored, with some small dark spots and a faint horizontal line near the top right corner.

Handwritten text in the top right corner, possibly a date or reference.

Main body of handwritten text in a cursive script, spanning most of the page width and height.

Handwritten text in the top left corner, possibly a date or reference.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern handwriting. There are two prominent dark ink blotches or holes visible on the page, one near the center and one towards the right side. The paper appears aged and slightly discolored.

Q.

1890

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are two large, dark circular marks, possibly holes or stains, visible on the left side of the page. The text is written in a single column, with some lines starting with a small mark that looks like a stylized 'S' or 'C'. The overall appearance is that of a historical document.

Q

$$d_1 = \frac{1}{\sqrt{2}} \begin{pmatrix} 1 & i \\ 0 & 0 \end{pmatrix}, d_2 = \frac{1}{\sqrt{2}} \begin{pmatrix} 1 & -i \\ 0 & 0 \end{pmatrix}$$

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single sheet of paper with two horizontal lines. The script is dense and fills most of the page. There are two large, dark circular marks, possibly holes or ink blots, located near the center of the page. The text is written in a single column, with some variations in line length and spacing. The paper appears aged and slightly discolored.

[illegible]

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. The script is dense and flowing, with many ligatures and flourishes. The paper is aged and shows signs of wear, including discoloration and small holes. The text is written in a dark ink, possibly iron gall or a similar dark pigment. The overall appearance is that of a historical document or a page from an old book.

analogous

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. There are several lines of text, with some lines starting with capital letters. The paper is aged and shows signs of wear, including discoloration and small dark spots. The text is written in a dark ink, possibly iron gall or a similar historical ink. The overall appearance is that of a well-preserved but clearly old document.

1890

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. The script is dense and flowing, characteristic of historical cursive. There are two large, dark circular marks or holes visible on the page, one near the center and one towards the right side. The paper is aged and slightly discolored.

1911

Handwritten text in a cursive script, likely Persian or Arabic, covering the entire page. The text is arranged in approximately 12 horizontal lines. There are two prominent dark circular marks, possibly holes or ink blots, located near the center of the page, one on the left and one on the right. The script is dense and flowing, with varying line heights and some decorative elements. The paper appears aged and slightly discolored.

[illegible]

Handwritten text in a cursive script, likely Persian or Urdu, spanning multiple lines across the page. The text is densely written and appears to be a continuous passage. There are two prominent dark circular marks, possibly holes or ink blots, located near the center of the page.

Main body of handwritten text in a cursive script, spanning most of the page. The text is densely packed and appears to be a continuous narrative or list.

Small handwritten mark or word on the left margin.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern European cursive. There are two large, dark circular marks or holes visible on the page, one near the center and one towards the right side. The paper appears aged and slightly discolored.

4. $\frac{1}{2} \log \frac{1}{2}$

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are two distinct circular holes or indentations on the left side of the page, possibly from binding or damage. The text is written in a dark ink, and the paper has a yellowish-brown tint.

October 10, 1949

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is arranged in approximately 12 horizontal lines. The script is dense and flowing, with many loops and flourishes. There are two distinct circular marks or holes visible on the page, one near the center-left and one near the center-right, which may be remnants of binding or repair work. The paper is aged and slightly discolored.

2005年12月25日

12

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern European cursive. There are two prominent dark circular marks, possibly ink blots or holes, located near the center of the page. The paper appears aged and slightly discolored.

Handwritten text in the top right corner, possibly a date or reference.

Main body of handwritten text, consisting of approximately 10 lines of dense script. The text is written in a cursive style and appears to be a continuous passage.

Handwritten text in the center of the page, possibly a title or a section header.

Small handwritten mark or symbol on the left margin.

Small handwritten mark or symbol at the bottom left corner.

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is organized into several lines, with a horizontal line separating the main body from a concluding section at the bottom. The script is dense and flowing, characteristic of historical manuscript writing. The paper is aged and shows signs of wear, including two prominent dark circular spots (possibly holes or stains) and some discoloration along the edges.

Handwritten text in the top right corner, possibly a title or reference.

Main body of handwritten text, consisting of approximately 12 lines of dense script.

Small handwritten mark or signature on the left margin.

Handwritten text in the top right corner, possibly a title or reference.

Main body of handwritten text in a cursive script, consisting of approximately 12 lines. The text is densely written and covers most of the page area.

Handwritten text in the top left corner, possibly a date or reference.

[illegible]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single page, showing signs of age and wear. The script is dense and fills most of the page. There are two distinct circular holes or indentations visible on the page, one near the center-left and one near the center-right. The text appears to be a continuous narrative or record, possibly in a historical or administrative context.

$$E_{\text{total}} = E_{\text{kin}} + E_{\text{pot}} = \frac{1}{2}mv^2 + mgh$$

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is densely written and appears to be a continuous narrative or a collection of verses. There are two prominent dark circular marks, possibly holes or ink blots, located near the center of the page.

CSA 44

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is written in dark ink on aged, slightly discolored paper. The script is dense and flowing, with many small, connected characters. There are two prominent dark spots, possibly holes or ink stains, located near the center of the page. The text appears to be a continuous passage, possibly a letter or a section of a manuscript.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Small handwritten note or signature in the right margin, possibly indicating the date or author of the document.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page. There are several large, dark circular marks or holes visible, possibly from binding or damage. The text appears to be in a historical language, possibly Persian or Arabic, given the style of the script and the use of some characters like 'و' and 'ه'.

Main body of handwritten text in a cursive script, spanning approximately 12 lines across the page.

Handwritten mark or symbol on the left margin, possibly a bracket or a decorative flourish.

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are two distinct circular holes or indentations on the left side of the page, possibly from binding or damage. The paper has a yellowish-brown tint, and the ink is dark brown or black.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. There are two distinct sections of text, separated by a small gap or fold in the paper. The first section is on the left, and the second section is on the right. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter. The paper shows signs of wear, including small holes and discoloration.

665

Handwritten text in a cursive script, likely a historical document or manuscript. The text is densely written across the page, with some visible ink bleed-through from the reverse side. The script is a form of cursive, possibly from the 16th or 17th century, with many loops and flourishes. The text is organized into several lines, with some lines starting with capital letters. There are some dark spots and stains on the paper, particularly in the center and towards the bottom.

Handwritten text in the right margin, possibly a date or a reference number.

$$\sin^2 \theta = \frac{1}{2} \left(1 - \frac{v_z}{c} \right)$$

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. There are two distinct circular marks, possibly holes or decorative elements, visible on the page. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the formal nature of the script and the presence of the circular marks which might indicate where the document was bound or sealed.

1. *Pharmaceutical industry*

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are two distinct circular holes or indentations visible on the left side of the page, possibly from binding or damage. The text is written in a single column, with some lines appearing slightly more indented than others. The overall appearance is that of a well-preserved but aged piece of paper with a single line of continuous handwriting.

Handwritten text in a cursive script, likely Persian or Urdu, spanning the width of the page. The text is arranged in approximately 12 horizontal lines. The script is dense and flowing, with many loops and flourishes. There are two dark circular marks, possibly holes or ink smudges, located near the center of the page, one on each side of the middle line. The paper is aged and slightly discolored.

Handwritten text in a cursive script, likely a letter or document, spanning the width of the page. The text is written in dark ink on aged, slightly discolored paper. The script is dense and flowing, with many small, connected letters. There are two distinct dark spots, possibly ink blots or holes, visible on the page. The text is arranged in approximately 12 horizontal lines, filling most of the page area.

Handwritten text in a cursive script, likely Persian or Urdu, spanning the width of the page. The text is densely packed and appears to be a continuous passage. There are two prominent dark circular marks, possibly holes or ink smudges, located near the center of the page. The script is written in dark ink on aged, slightly discolored paper.

Handwritten text in a cursive script, likely a letter or a page from a manuscript. The text is written on aged, yellowed paper and is organized into several lines. There are two distinct circular holes or indentations visible on the page, one near the center and one towards the right side. The handwriting is dense and flowing, characteristic of 18th or 19th-century cursive.

23

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, with many small, connected letters. The paper is aged and shows signs of wear, including two prominent dark spots (possibly holes or stains) and some discoloration. The text is written in a dark ink, possibly iron gall or a similar historical writing material.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. There are two distinct circular marks or holes visible on the page, one near the center and one towards the right side.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, with many loops and flourishes. The paper is aged and shows signs of wear, including two prominent dark spots (possibly holes or stains) and some discoloration. The text is written in a dark ink, possibly iron gall or a similar historical ink.

Small handwritten note or signature in the top right corner.

Small handwritten note or signature in the bottom right corner.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page. There are several large, dark circular marks or holes visible in the center of the page, possibly from binding or damage. The text appears to be in a historical language, possibly Persian or Arabic, given the style of the script and the use of some characters like 'و' and 'ه'.

Handwritten text in a cursive script, likely Arabic or Persian, covering the majority of the page. The text is densely packed and appears to be a continuous narrative or list. There are two distinct circular holes visible in the center of the page, suggesting it was once part of a bound volume.

Small handwritten text or signature in the upper right corner, possibly indicating ownership or a date.

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are several large, ornate initial letters, possibly 'C' or 'D', which are decorated with flourishes. The text is written in a single column, with some lines starting with a small mark that looks like a comma or a dash. The overall appearance is that of a historical document.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. There are some large, bold initials or words at the beginning of certain lines, such as "Gott" and "Gott". The text appears to be a continuous narrative or a list of items, possibly related to a religious or historical event. The paper shows signs of wear, including small holes and discoloration.

CC-

Figure 1. The effect of the concentration of the H_2O_2 solution on the amount of the H_2O_2 consumed in the reaction of the H_2O_2 solution with the H_2O_2 solution.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. There are two prominent dark circular marks, possibly holes or ink smudges, on the left side of the page. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the formal nature of the script and the presence of what might be a signature or official stamp in the center.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across the page. The script is dense and flowing, with many small, connected letters. There are two distinct circular marks or holes in the paper, one near the left edge and one near the right edge, which may be remnants of binding or damage. The paper is aged and discolored, with a yellowish-brown hue.

Small handwritten text or signature in the upper right corner, possibly indicating the author or date.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page. There are two prominent dark circular marks, possibly holes or ink smudges, located near the center of the page. The text appears to be a continuous narrative or record, with some words and phrases being more legible than others due to the cursive style and fading.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, characteristic of early modern handwriting. The document is aged and shows signs of wear, including two prominent dark circular holes or stains near the center.

Small handwritten notes or a signature in the right margin, possibly indicating the date or author of the document.

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

62

$\frac{1}{2} \left(\frac{1}{2} \right) = \frac{1}{4}$

2000

Handwritten text in a cursive script, likely a letter or document, written on aged, yellowed paper. The text is arranged in approximately 10 lines, with some lines being longer than others. The ink is dark, and the paper shows signs of wear, including two small dark spots (possibly holes or stains) and some discoloration. The script is fluid and characteristic of 18th or 19th-century handwriting.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is densely packed and written in dark ink on aged, slightly discolored paper. There are two prominent dark circular marks, possibly holes or ink smudges, located near the center of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a language from the Middle East or North Africa, possibly Arabic or Persian. The script is dense and flowing, with many ligatures and variations in letter forms. There are several large, bold letters that serve as section markers or initial letters. The paper is aged and shows signs of wear, including discoloration and small holes.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern European handwriting. There are two prominent dark circular marks, possibly holes or ink blots, located near the center of the page. The paper appears aged and slightly discolored.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a language from the Middle East or South Asia. The script is dense and flowing, with many ligatures and flourishes. The document is on aged, slightly discolored paper with some visible wear and tear, including a small hole near the center.

Small handwritten note or signature in the right margin.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

2020年12月31日

Handwritten text in a cursive script, likely Arabic or Persian, covering the entire page. The text is arranged in approximately 12 horizontal lines. There are two prominent dark circular marks, possibly holes or ink blots, located near the center of the page, one on the left and one on the right.

100

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, characteristic of early modern handwriting. There are two large, dark circular marks or holes visible in the center of the page, which may be remnants of binding or damage to the original document. The paper is aged and discolored, with a yellowish-brown hue.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. There are two large, dark circular marks, possibly ink blots or holes, visible in the middle of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. There are some larger, more decorative initials or headings interspersed within the main body of text. The overall appearance is that of a well-preserved but clearly old piece of paper.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern European handwriting. There are several large, ornate initial letters, possibly 'C' and 'D', which are highly decorated with flourishes. The paper appears aged and slightly discolored, with some visible wear and tear, including a small hole near the center. The text is written in a dark ink, and the overall appearance is that of a well-preserved but clearly historical document.

Small handwritten note or signature in the right margin, possibly indicating the date or author of the document.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single page with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a European language, possibly German or French, based on the character set and script style. The handwriting is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a language from the Middle East or South Asia. The script is dense and flowing, with many loops and flourishes. The paper is aged and shows signs of wear, including discoloration and small dark spots. The text is written in a single column and appears to be in a language from the Middle East or South Asia. The script is dense and flowing, with many loops and flourishes. The paper is aged and shows signs of wear, including discoloration and small dark spots.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is written on aged, slightly discolored paper with some visible wear and tear.

Small handwritten note or signature in the right margin, possibly indicating the author or a date.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. There are several large, decorative initial letters, possibly marking the beginning of new sections or paragraphs. The paper is aged and shows signs of wear, including discoloration and some small holes or damage. The text is written in a dark ink, and the overall appearance is that of a well-preserved but old manuscript.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Small handwritten note or signature at the bottom right corner of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern handwriting. The paper is aged and shows signs of wear, including a small dark spot near the center and a larger, irregular stain on the right side. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the formal nature of the script and the presence of a small, dark, circular mark that might be a seal or a stamp.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Small handwritten note or signature in the right margin.

Small handwritten mark or initial in the left margin.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, with many loops and flourishes. The paper is aged and discolored, showing signs of wear and tear. There are two prominent dark circular marks, possibly holes or ink stains, on the right side of the page. The text appears to be in a historical language, possibly Arabic or Persian, given the style of the script and the use of certain characters like 'O' and 'C' which may represent specific letters in the original language.

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. The script is dense and flowing, with many ligatures and flourishes. The paper is aged and shows signs of wear, including discoloration and some small holes or damage. The text is written in a dark ink, possibly iron gall or a similar dark pigment. The overall appearance is that of a historical document or a page from an old book.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern handwriting. The paper is aged and shows signs of wear, including two prominent dark circular holes or indentations. The text is written in a dark ink, possibly iron gall, on a light brown or tan background.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in dark ink on aged, yellowish paper. The script is dense and flowing, with many loops and flourishes. The text is organized into several lines, with some lines starting with a large, decorative initial letter. The overall appearance is that of a formal or official document from the 17th or 18th century.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are two distinct circular holes punched through the paper, one near the center and one towards the right side. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the formal nature of the handwriting and the presence of the holes, which might have been used for binding or filing.

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Main body of handwritten text in a cursive script, spanning multiple lines across the page.

Small handwritten mark or signature on the left margin.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, characteristic of early modern handwriting. The paper is aged and shows signs of wear, including two prominent dark circular spots (possibly holes or stains) and some discoloration. The text is written in a dark ink, possibly iron gall or a similar historical ink.

CV

May 20, 1967

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern handwriting. There are several large, dark ink blotches or holes visible in the middle section of the page, which may be damage or intentional markings. The paper appears aged and slightly discolored.

Counting on my fingers

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are two prominent dark spots, possibly holes or ink stains, located near the center of the page. The text is written in a single column, with some variations in line spacing and ink density.

Main body of handwritten text, consisting of approximately 12 lines of dense script.

Small handwritten mark or word on the left margin.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. There are several lines of text, with some lines starting with capital letters or initials. The paper is aged and shows signs of wear, including discoloration and small dark spots. The text is written in a dark ink, possibly iron gall or a similar historical ink. The overall appearance is that of a well-preserved but clearly antique document.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Small handwritten note or signature in the right margin.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern European handwriting. There are several large, ornate initial letters, possibly 'C' and 'D', which are decorated with flourishes. The paper appears aged and slightly discolored, with some visible wear and tear along the edges. The text is written in a dark ink, and the overall appearance is that of a formal or official document from the 16th or 17th century.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern European handwriting. There are several large, ornate initial letters, possibly 'C' and 'S', which are decorated with flourishes. The paper is aged and shows signs of wear, including two prominent dark circular holes or stains near the center of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into approximately 15 lines. The script is dense and flowing, characteristic of early modern handwriting. There are two prominent dark circular marks, possibly holes or ink stains, located in the middle of the page. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the formal nature of the script and the presence of what might be a signature or official stamp at the end of the text.

Handwritten text in a cursive script, likely a manuscript or letter. The text is written in a single column and appears to be in a historical or religious context. The script is dense and flowing, with many ligatures and flourishes. The paper is aged and shows signs of wear, including discoloration and small holes.

Handwritten text in a cursive script, likely a signature or a short note at the end of the document.

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are two distinct circular holes or indentations visible on the left side of the page, possibly from binding or damage. The text is written in a fluid, connected style, characteristic of historical cursive handwriting.

Handwritten text in a cursive script, likely a letter or document, spanning the width of the page. The text is dense and fills most of the page area.

Handwritten text in the top right corner, possibly a signature or date.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a European language, possibly German or Dutch, given the use of characters like 'v' and 'w'. The script is dense and fills most of the page. There are two prominent dark circular marks, possibly holes or ink stains, located approximately one-third and two-thirds of the way across the page. The paper is aged and slightly discolored.

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. There are several large, decorative initial letters, possibly 'C' or 'K', which are written in a more stylized, calligraphic manner than the rest of the text. The ink is dark, and the paper is aged and slightly discolored. The handwriting is dense and fills most of the page.

Small handwritten text or signature in the upper right corner, possibly indicating the author or a date.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of words like "procurator" and "procuratoris".

9.

Causes of death

— *Journal of the American Medical Association*

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is on aged, slightly discolored paper with some visible wear and a few dark spots.

603

[Faint handwritten text, likely bleed-through from the reverse side of the page.]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is on aged, slightly discolored paper with two visible holes, suggesting it was once part of a bound volume.

$$d_{\text{eff}} = \frac{\sum_i d_i^2}{\sum_i d_i} = \frac{10^2 + 20^2 + 30^2 + 40^2 + 50^2}{10 + 20 + 30 + 40 + 50}$$

Handwritten marginal note in the top right corner.

Main body of handwritten text in a cursive script, consisting of approximately 10 lines. The text is densely written and covers most of the page area.

Handwritten marginal note in the top left corner.

Handwritten text in a cursive script, likely Persian or Urdu, spanning multiple lines across the page. The text is densely written and appears to be a continuous passage. There are two prominent dark circular marks, possibly holes or ink blots, located near the center of the page.

111

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, with many loops and flourishes. The paper is aged and shows signs of wear, including a large dark stain in the center and a smaller one on the right side.

Handwritten text in a cursive script, likely a signature or a small note at the end of the document.

Handwritten text in a cursive script, likely Persian or Arabic, covering the entire page. The text is arranged in approximately 12 horizontal lines. There are two prominent dark circular marks, possibly holes or ink blots, located in the middle of the page. The script is dense and flowing, with many ligatures and variations in line height.

Main body of handwritten text in a cursive script, spanning multiple lines across the page.

[illegible]

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are two large, dark circular marks, possibly holes or ink smudges, located near the center of the page. The text is written in a single column, with some lines starting with a small mark that looks like a stylized 'S' or 'C'. The overall appearance is that of a historical document.

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is densely written in approximately 12 horizontal lines. There are two prominent dark circular marks, possibly ink blots or holes, located near the center of the page. The paper is aged and slightly discolored.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, characteristic of early modern handwriting. The document is on aged, slightly discolored paper with two visible holes, suggesting it was once part of a bound volume.

Handwritten text in a cursive script, likely a manuscript or letter, written on aged, yellowed paper. The text is arranged in approximately 12 horizontal lines, filling most of the page. The ink is dark brown or black, and the script is highly stylized and fluid, characteristic of historical cursive handwriting. There are some small, dark circular marks or holes visible on the paper, possibly from binding or damage. The overall appearance is that of an old, handwritten document.

65

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a European language, possibly German or Dutch, given the use of characters like 'v' and 'w'. The script is dense and flowing, with many ligatures. There are two large, dark circular marks or holes visible in the middle of the page, which may be remnants of binding or damage to the original document. The paper is aged and slightly discolored.

$$C_1 \frac{d^2 \theta}{dt^2} + C_2 \frac{d\theta}{dt} + C_3 \theta = 0$$

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single page with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in dark ink on aged, yellowish-brown paper. The script is dense and flowing, with many loops and flourishes. The text is arranged in approximately 12 horizontal lines across the page. There are two small, dark circular marks or holes visible on the paper, one near the center and one towards the right side. The overall appearance is that of an old, possibly leather-bound, manuscript page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single page with two visible binding holes. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely Persian or Urdu, covering the majority of the page. The text is arranged in approximately 12 horizontal lines. There are two prominent dark circular marks, possibly ink smudges or holes, located in the middle of the page.

Small handwritten text or signature in the upper right corner.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern handwriting. There are two prominent dark circular marks, possibly ink blots or holes, located near the center of the page. The paper appears aged and slightly discolored.

655

$$u_{n+1} = u_n + \frac{1}{n} \left(\frac{1}{n} - \frac{1}{n+1} \right) = \frac{1}{n} - \frac{1}{n+1} = \frac{1}{n(n+1)}$$

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern handwriting. The paper is aged and shows signs of wear, including two prominent dark circular holes or indentations near the center. The text is written in a dark ink, possibly iron gall, on a light brown or tan background.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern handwriting. There are two prominent dark circular marks, possibly holes or ink blots, located near the center of the page. The paper is aged and slightly discolored.

11

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, characteristic of early modern handwriting. There are two large, dark circular marks or holes visible on the page, one near the center and one towards the right side.

12

Handwritten text in a cursive script, likely a manuscript. The text is written on a single page with two visible holes for binding. The script is dense and fills most of the page. The text is written in a cursive script, likely a manuscript. The text is written on a single page with two visible holes for binding. The script is dense and fills most of the page. The text is written in a cursive script, likely a manuscript. The text is written on a single page with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Handwritten text in a cursive script, likely a signature or a short note at the end of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. $$C_{\text{eff}} = \frac{1}{2} \left(\frac{1}{C_{\text{eff}}^{\text{H}} + C_{\text{eff}}^{\text{D}}} \right) \left(\frac{1}{C_{\text{eff}}^{\text{H}} + C_{\text{eff}}^{\text{D}}} \right) \left(\frac{1}{C_{\text{eff}}^{\text{H}} + C_{\text{eff}}^{\text{D}}} \right)$$

Handwritten text in Arabic script, consisting of approximately 10 lines of dense, cursive writing. The text is written on aged, yellowish paper. There are two small, dark circular marks or holes visible on the page, one near the center and one towards the right side.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and flowing, characteristic of early modern handwriting. The paper is aged and shows signs of wear, including two prominent dark circular holes or stains near the center of the page.
